

Fiber Optik

*Mempersiapkan diri dengan zaman telekomunikasi fiber optic

SYLLABUS

- Pengenalan Alat dan Bahan
- K3 Fiber Optik
- Implementasi pada Jaringan
- WAN
- Praktek Slicer

BENEFIT

- Sertifikat
- Instruktur dari PT. Telkom
- Praktek Langsung Splicer
- Ruangan Ber-AC
- Alat dan Bahan Praktek

PRICE/PERSON

Pengenalan Fiber Optic : Rp. 1.200.000

Computer Numerical Control (CNC)

*CNC making your parts easier

SYLLABUS

Basic and Advance CNC Turning

- Component and Basic Operation CNC Turning
- Program and Basic CNC Turning Diagram
- Practical CNC Turning

Basic and Advance CNC Milling

- Component and Basic Operation CNC Milling
- Program and Basic CNC Turning Diagram
- Practical CNC Milling

PRICE/PERSON

Basic CNC Turning/Milling : Rp. 3.200.000

Advance CNC Turning/Milling : Rp. 3.500.000

BENEFIT

- | | |
|---------------------|--------------------------|
| • Certificate | • Flexibel Time |
| • Snack and Meal | • Professional |
| • Module Training | • Comportable Class |
| • Training Material | • Free Wifi |
| • Training Kit | • Complete Training Tool |

Mechanical Engineering Design

*Easy Design For your Mechanical Engineering

SYLLABUS

- Fundamental Sketch and Drawing
- Sketching & Part Design
- Assembly Design
- Detail Drawing & Part List

BENEFIT

- Certificate
- Snack and Meal
- Module Training
- Training Material
- Training Kit
- Flexibel Time
- Professional Trainer
- Comportable Class
- Free Wifi
- Complete Training Tool

PRICE/PERSON

Autodesk Inventor : Rp. 2.500.000

Autodesk AutoCAD : Rp. 2.500.000

Programabel Logic Control (PLC)

*Easy Design For your Mechanical Engineering

SYLLABUS

- Fundamental Sketch and Drawing
- Sketching & Part Design
- Assembly Design
- Detail Drawing & Part List

BENEFIT

- Certificate
- Snack and Meal
- Module Training
- Training Material
- Training Kit
- Flexibel Time
- Professional Trainer
- Comportable Class
- Free Wifi
- Complete Training Tool

PRICE/PERSON

BASIC PLC : Rp. 2.300.000

PLC Pneumatic : Rp. 2.500.000

PLC HMI : Rp. 2.500.000

Basic Electrical and Electronic

*Make us Expert In Electrical and Electronic

SYLLABUS

Electrical Fundamental :

- Basic Electrical Concepts & Definations
- Basic Electrical Troubleshooting

Electronic Hand Soldering :

- Basic Hand Soldering
- Hand Soldering Technique
- Hand Soldering Essentials

Motor Control System :

- Principles Of Electric Motors
- Control System Principles

PRICE/PERSON

Electrical Fundamental : Rp. 2.000.000

Electronic Hand Soldering : Rp. 2.000.000

Motor Control System : Rp. 2.000.000

BENEFIT

Refrigeration & Air Conditioning System

*Cool the World by Becoming an Air Conditioning Technician

SYLLABUS

- Introduction Refrigeration and Air Conditioning System
- Sketching & Part Design
- Assembly Design
- Detail Drawing & Part List

BENEFIT

- Certificate
- Snack and Meal
- Module Training
- Training Material
- Training Kit
- Flexibel Time
- Professional Trainer
- Comfortable Class
- Free Wifi
- Complete Training Tool

PRICE/PERSON

Spilt Air Conditioning : Rp. 2.500.000
